## Downtown Victoria Business Meeting

City Hall Council Chambers, June 27, 2019, 7:30-8:30 a.m.

### Attendees from five business

#### Issues

High traffic volumes on Hwy 5

Limited parking in downtown area

Stormwater management causing problems

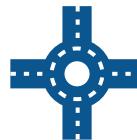

Appearances of some properties need improvement

#### Suggestions

Support Victoria's progress toward becoming a popular destination

Roundabouts will help keep traffic moving

Consider doing smaller, more affordable projects instead of one big one

Add traffic message signs

Ask local students to brainstorm creative ideas for the area

#### Project Concerns

Shifting traffic away from Hwy 5 would hurt downtown businesses

Excessive property takes to accommodate lane expansion

Construction detours away from Hwy 5 would harm local businesses
