

**When your
child is sick,
at home with
you is best!**

Please keep your child home from child care or school if your child has:

- A fever of 101°F or higher
- Rash with fever or child not acting like normal self
- Pain in belly lasting 2 or more hours
- Skin sores that weep and cannot be covered
- Looks or acts sick, not like normal self
- Thick white or yellow discharge from eyes
- Watery/running stools
- Throwing up
- Mouth sores with drooling

**Carver County Public Health and
your community thank you!**
