**Comments, Questions and Concerns about Rolling Acres Road**

**PROPOSED CONCEPTS**

- Concern that proposed median just north of Highway 5 prevents access to property on east side by southbound traffic.
- Concern that roadway changes would restrict space for bicyclists.
- Consider a roundabout at the Highway 7 intersection.

**TRAFFIC**

- Concern that the traffic forecasts are too low.
- Concern that crashes go unreported.
- Question about legality of drivers passing on road.
- Desire to limit large truck traffic and restrict jake braking.
- Concern about aggressive driving.

**SPEEDING**

- Concern that speed limit is too high.
- Concern that people frequently speed and law enforcement is not enforcing speed limit.
- Desire for speed limit feedback sign.
- Desire to add roadway features that calm traffic.

**TRAIL**

- Desire for clarification about who has right of way at trail crossing. Law enforcement indicates that drivers have right of way.
- Desire for Rectangular Rapid Flashing Beacons to make drivers aware of trail users.
- Questions about if trail realignment is necessary.

**OTHER ISSUES**

- Desire for a “share the road” sign.
- Concern that roadway condition is poor. Road surface patching increases road noise.

**Other Questions**

- Will a bridge be used to expand Highway 5 over Minnewashta Lake?
- Will the Highway 5/Minnewashta Parkway intersection be signalized?
