

Communities of Belonging COLOGNE

A Collective Journey Toward a Better Tomorrow

COLOGNE RESIDENT SURVEY RESULTS

What Cologne does well

People find others friendly, respectful and helpful

The community provides a small town feeling of safety and affordability

People enjoy the community events

What makes you feel like you belong in Cologne?

Describe your relationship with your neighbors

What events have you attended in the last 3 years?

Where could Cologne improve?

More community gathering spaces; especially those where food or beverages are served

Economic development, including a vibrant downtown, a grocery store, and possibly manufacturing or an industrial park to provide job opportunities

Better communication about what is happening in the city and the surrounding area; including how to become involved or participate, and ensuring that everyone is always welcomed

2021 Survey by the Communities of Belonging Initiative, a partnership of Cologne Community residents, businesses, and local resources, along with Carver County Public Health.
