The County Board operates as a deliberative and legislative assembly, meeting to discuss and determine the direction and policies of the County within the confines of state and federal law.

The County Board functions within the statutory framework of Minnesota law. General duties, powers and responsibilities are found in Minnesota Statutes, especially but not exclusively Chapters 370, 373, and 375. Minnesota Statutes supersede all bylaws, rules and policies established by the Board.

B. Statement of Principles

The Operating Rules intend to strike a procedural balance that considers all principles and enunciates a specific process by which those principles interact and work. The rules are representative of the following Carver County Strategic Plan.

I. Vision

To meet the service requirements and special needs of our residents in a fiscally responsible and caring way. We will plan the county's growth to preserve its uniqueness and will encourage rural and urban compatibility. We will protect our history while planning for a dynamic future.

III. Goals - Summarized

I. Communities: Create and maintain safe, healthy, and livable communities.

II. Customer Service: Continue the County's delivery of high value, timely service and support.

III Culture: Provide an organizational culture which

fosters individual accountability to achieve goals and sustain public trust and confidence in County government.

IV Connections: Develop strong public partnerships and connect people to services and information.

V. Finances: Improve the County's financial health and economic profile.

VI. Growth: Manage the challenges and opportunities resulting from growth and development.

C. Effective Date

These rules shall become effective upon passage by the County Board.

II. Amendments to the Operating Rules

During the statutory meeting, the County Board shall review, amend if necessary, and adopt the operating rules for the year.

Any time throughout the year, the County Board may amend (or suspend) the operating rules by an affirmative vote of the members. Changes shall be effective immediately upon passage.

Any member of the County Board or the County Administrator may initiate action to amend the operating rules

Any changes in statute or law affecting the rules are effective immediately and will be reflected in the next draft of the rules.

III. County Board Organization

A. Membership

The County Board of Commissioners consists of five (5) members elected from single-member districts apportioned on the basis of population as provided by law.

B. Commissioner Districts

The boundaries of commissioner districts, including the procedures to follow in the event that a redistricting is needed, are established pursuant to Minn. Stat. §375.025.

C. Terms of Office

The term of each Board member is four years, except as otherwise established pursuant to Minn. Stat. §375.03.

D. Vacancy

A vacancy in the office of County Board is filled at a special election not less than 30 nor more than 90 days after the vacancy occurs. The special primary or special election may be held on the same day as a regular primary or regular election but the special election shall be held not less than 14 days after the special primary. The person elected at the special election shall take office immediately after receipt of the certificate of election and upon filing the bond and taking the oath of office and shall serve the remainder of the unexpired term (Minn. Stat. §375.101).

If the vacancy occurs less than 60 days before the general election preceding the end of the term, the vacancy shall be filled by the person elected at the general election for the ensuing term. That person shall take office immediately after receiving the certificate of election, filing the bond and taking the oath of office (Minn. Stat. §375.101).

E. Officers

The County Board, at its statutory meeting (first Tuesday after the first Monday of each year), elects from its members a Chair and a Vice-Chair. The Chair presides at the County Board meetings, decides on questions of order, subject to vote of the County Board, and signs all documents requiring signature of the County Board. The Chair's signature, attested to by the County Administrator or designee, is binding as the signature of the County Board.

The County Board elects from its membership a Vice-Chair at the same time and place and in the same manner as provided for the election of the chair. The Vice-Chair performs the duties of the chair when the chair is unable to perform those duties.

The process to open nominations for Chair shall be as follows:

1. Open the floor for nominations
 - Recognition by the Chair is not required to make a nomination
 - After each nomination, the County Administrator repeats the name of the nominee to the members.
 - Nominations do not have to be seconded, but it is not out of order for members to second a

nomination

- A person can nominate himself or herself.
- A member can decline the nomination during the nominating process.

2. Close the nominations

- A motion to close is not necessary as the nomination process continues until no one wishes to make further nominations
- When the nomination stops, the County Administrator calls three times for more nominations and declares nominations closed after making sure that no more nominations are forthcoming.
- A motion to close nominations is out of order if any member still wishes to make a nomination.

3. Vote on nominations

- Nominations are decided by majority vote.
- A voice vote will be used, and the voting is over when someone wins the nomination by majority vote.
- Voting on each nominee is conducted in the order in which they were nominated.
- After naming the first nominee, the County Administrator will announce the votes.
- This procedure continues until someone receives a majority vote.
- If there is a tie vote or no one receives a majority vote, members keep voting until someone is elected.

Following the election of the Chair, the Chair will conduct the nomination of the Vice Chair and follow the same process.

If the Chair and Vice-Chair are absent from any meeting, the members present shall choose one of their members as temporary Chair, and all documents requiring the signature of the County Board shall be signed by a majority of it and attested to by the Clerk to the Board (Minn. Stat. §375.13).

At the statutory meeting (and if applicable during the year), the Chair of the County Board shall have the authority to recommend committee chairs and appoint members of the County Board to standing committees and other County Board-member appointed committees, organizations and groups, subject to approval by the County Board.

F. Compensation

County Board members receive as compensation for services an annual salary as set by resolution of the County

Board. (The salary must be established prior to the end of the preceding year and is effective January 1 of the new year.)

Prior to the effective date of a new salary, each County Board member shall have the option to accept or reject any salary increase in writing and submit it to Employee Relations.

G. Monthly Expense Allowance

Each member of the County Board is allowed a monthly expense allowance as determined by the County Board for expense while doing business for Carver County. (This expense allowance is provided for under Minnesota Laws, Chapter 66, adopted in 1981.) Typical expenditures for this allowance are mileage, parking, and meals while in the seven county metropolitan area for conferences, seminars and meetings. Expenses included in this allowance are generally considered to be ones that the Board Member deems to be necessary in order to fulfill the duties of office.

The County Board, by resolution, determines the annual expense allowance level. Within the seven county metropolitan area, this allowance is in lieu of traditional reimbursement plans including per diem expenses. The expense allowance is paid to the Board Members in twelve equal monthly installments.

Outside the seven county metropolitan area, all costs deemed necessary by the Board Member to fulfill the duties of office, are covered by County Financial Policy and Administrative Policy Manuals' reimbursement guidelines. This would include reimbursement for actual costs while performing duties of the office of County Commissioner.

In addition, all overnight expenses associated with conferences, seminars, and meetings are costs eligible for reimbursement. Each Commissioner shall be allocated an annual conference and training budget with an amount to be determined according to the annual budget process. Conference and training funds not used by an individual Commissioner during each respective budgetary year may be used by another Commissioner within that budget year upon mutual agreement between the Commissioner requesting the funds and the Commissioner providing the funds. Any out of state travel must meet the requirements outlined in the Elected Officials Out of State Travel policy included in the Carver County Administrative Policy Manual.

Cell phone expenses are costs eligible for reimbursement according to County Financial Policy and Administrative Policy Manuals' reimbursement guidelines.

The Rules of Parliamentary Practice embodied in Robert's Rules of Order (hereafter referred to the Rules of Order) shall guide the Board in all cases applicable, except as modified by the rules herein and applicable Minnesota Statutes. In all cases, except where Minnesota Statutes dictates, a majority vote will prevail when deciding a question.

B. Parliamentarian

The Rules of Order governing County Board meetings shall be referred to the County Board Chair for interpretation and enforcement. The County Board Chair may consult with Board members and/or the County Attorney in interpreting and deciding upon rules and questions of order.

C. Role of the Chair

and announce the result of the vote.

Any member of the Board may make a motion for a suspension of the Rules of Order at any time during the debate and, if in order and duly seconded, the Board will vote on the request.

E. Main Motion

The main motion shall be considered by the Board. A member may make only one main motion at a time. The Board member(s) may present an initial motion on the resolution and subsequently debate the question; or the

Board member(s) may call upon staff for additional information prior to introduction of the motion.

The introduction of a main, or substantive motion, is out of order while another main motion is pending. While the question is under debate, no other motion shall be received or entertained except for procedural motions permitted in the Rules of Order.

F. Second Required

All motions before the Board shall be seconded prior to consideration by the Board. The second may occur after brief informal discussion. Subsequent to the second of the motion, formal debate may ensue between the members of the Board prior to the formal vote being called.

G. Amended Motion

Any motion may be amended at any time before it is adopted. The amended motion shall have precedence over an existing motion and may be discussed prior to being voted upon. If the amended motion fails, the main motion may proceed for consideration. If the amended motion passes, the amended motion becomes the main motion and may proceed for consideration. Once an amended motion is voted upon, a second amended motion may be entertained.

H. Division of the Question

Upon the request of any Board member, a motion or resolution in debate may be divided and separated into more than one action provided that the Chair rules that the motion or resolution will allow such a division. Each of the resulting motions or resolutions must be complete to allow independent consideration and action.

I. Withdrawal of Motion

After a motion has been stated by the Chair, it is deemed to be in the possession of the Board, but may be withdrawn by the member introducing the motion at any time before a vote. The Chair must accept or reject the withdrawal request. This motion cannot be debated or amended. If the motion is withdrawn, the effect is the same as if it had never been made.

J. Discussion Procedures

The following operating rules shall guide debate:

1. Any Commissioner desiring to speak shall address the Chair, and not proceed until being recognized. When two or more members address the Chair at the same time, the Chair shall designate the order of speaking.
2. Upon recognition of the Chair, the Board member making the motion has precedence to address the Board first, with the option of explaining the reasons why the motion is made. Subsequently the floor is open to any member of the Board.
3. A member, once recognized, shall not be interrupted when speaking, unless it is to call that member to order. No member shall interrupt another in debate without his/her consent. To obtain such consent, he/she shall first address the Chair.

K. Adoption

A motion or resolution shall be adopted if approved by a majority of the whole Board (Minn. Stat. §375.07).

L. Procedural Motion

In addition to the substantive motions, the following procedural motions shall be in order. This is a partial list of those motions from Robert's Rules that are most often used.; it is not intended to be a complete list.

These motions shall be considered in the following order of precedence as taken from Robert's Rules of Order:

1. Motion to Adjourn;
2. Motion to Recess;
3. Motion to Suspend the Rules;
4. Motion for Division of the Question;
5. Motion to Defer Consideration (Motion to Lay on the Table);
6. Call of the Previous Question;

7. Motion to Postpone to Certain Time or Day;

M. Voting

It is the duty of every member to vote. Voting shall be recorded as a "yes" or "no" vote by the County Administrator and duly noted in the minutes. Unless a Commissioner signifies an abstention or vote in the negative on any given issue, the County Administrator shall be directed to record that each Commissioner has voted in the positive on that particular matter which is before the Board. A roll call, if requested by any member, shall be called by the Administrative Assistant alphabetically (from A-Z) by last name, and rotating with each resolution voted upon.

VI. TYPES OF COUNTY BOARD ACTION

A. Resolution

The County Board takes formal action by resolution (Minn. Stat. §373.02) or ordinance (Minn. Stat. §375.51) only, both of which are initiated through a motion. A motion may be introduced by any member of the County Board.

The main motion in the form of a resolution is the means by which a member may present a substantive proposal to the County Board for consideration and action. Since it is the basic motion for the transaction of business, only one subject may be considered at a time and the main motion may be proposed only when no other motion is before the County Board. (See Section V.)

B. Ordinance

The County Board may take formal action by ordinance (Minn. Stat. §375.51). An ordinance is a legislative act prescribing general, uniform, and permanent rules of conduct relating to the affairs of the county. County Board action shall be taken by ordinance when required by law.

C. General Consensus

The County Board provides informal direction by consensus. Informal direction is most often used to provide staff with preliminary Board perspective on a matter which will require future formal action by resolution or ordinance. Informal direction is also used to

provide additional insight into formal actions previously taken. Informal direction standing alone does not establish Board policy or authorize action.

D. Policy Development

Authority for the development of policies in Carver County is granted to the County Board through Minn. Stat. Chapter 373 (Counties, Powers, Duties, and Privileges) and Minn. Stat. Chapter 375 (County Boards) and other statutes. With the powers granted within these statutes, the County Board may delegate certain authority, as appropriate, through Board resolutions. These delegations of authority may be rescinded at any time by the Board.

VII. COUNTY BOARD AGENDA

A. Preparation and Distribution

The County Administrator shall prepare the proposed agenda and supporting material for each regular and special meeting. Members of the Board may direct that an item be placed on the proposed agenda by informing the County Administrator. The County Administrator shall include an item on the proposed agenda if a member directs that the item be placed on the proposed agenda at least three (3) days prior to the meeting for which the agenda is to be prepared. Placement of requested item on the proposed agenda requires County Board Chair approval. The final agenda shall be formally approved by the County Board.

The Board agenda packet, including the meeting agenda and supporting material, shall be received by each member of the Board no later than the Monday preceding the regular Tuesday meeting.

Copies of the agenda and supporting material shall be made available to the County staff, public and media as appropriate. A distribution list shall be maintained in the County Administration Office. Members of the public who are interested in following issues considered by the Board may register their name and address with County Administration for placement on the agenda distribution list.

If possible and if time avails, Board members are encouraged to identify and request future agenda topics. Early identification of future agenda items informs the Board that a particular subject will be discussed and provides staff an opportunity to conduct any research, and provide background information sufficient to inform the Board.

B. Order of Business

The Order of Business for each regular meeting of the County Board shall be as follows:

1. Call to Order (start of cablecast)
2. Pledge of Allegiance
3. Public Comments
4. Approval of Agenda
5. Approval of Minutes
6. Community Announcements
7. Consent Agenda
8. Regular Agenda
9. County Administrator Report
10. Adjourn Regular Session (end of cablecast)

The Order of Business may be changed as needed to accomplish objectives and priorities of the meeting. The Order of Business may be changed at the recommendation of the Chair, any member of the Board or the County Administrator subject to County Board consensus.

C. Consent Agenda

The Consent Agenda will consist of routine agenda items which are not likely to require additional debate and discussion. Examples of consent agenda items include, but in no circumstances are limited to, tax abatements (penalty and interest claims), minor budget amendments, personnel actions, tax forfeiture actions, and miscellaneous contract approvals and renewals.

The Consent Agenda shall be considered as one item of business. The Board may approve all items on the consent agenda by adopting one motion. In the minutes of the meeting, the items passed in the Consent Agenda shall be recorded individually.

Prior to approval of the Consent Agenda, any member can propose removing an item on the Consent Agenda for further discussion and/or for the purposes of separate consideration. Placement of an alternate item on the final agenda requires formal approval by the County Board.

D. Regular Agenda

The Regular Agenda will consist of items which are likely to and/or require additional discussion and review. Items of business within the Regular Agenda shall be considered individually and in the order of business as noted on the agenda.

F. Appointments

Unless mandated statutorily, appointments to the extent possible will be made by commissioner district. The Board will use discretion in this area and instances may occur when appointments will not follow district boundaries due to the target group the committee represents, availability of applicants, or other factors. The Carver County Board will attempt to select those candidates who will best represent the county and the committee's needs.

When a vacancy exists due to resignation or other reasons, the Board will follow the open appointment process. For the purpose of maintaining uniform length of terms the new appointee's partial term will be assumed to be a full term regardless of actual time remaining in the unexpired term.

The Carver County Library Board and Park Commission may each have a youth member (18 and under) appointment to the Library Board/Park Commission. The youth appointment will be an at large appointment; serve as a nonvoting liaison and not receive a per diem payment. Youth appointments will be for one year with a three year term limit

by a member of the contents of all applicable attendance policies, residency requirements and other pertinent information needed to perform the duties of a committee member.

J. Terms

Unless mandated statutorily, with the exception of the Youth Appointment to the Library Board and Park Commission, the County Board has standardized the length of term and number of terms each member to serve. X. CITIZENS

A. Citizen Participation

The public is invited and encouraged to attend and participate in County Board meetings. All approved minutes of Board meetings are published in the official county newspaper and agendas and minutes are available on the County website at www.co.carver.mn.us.

B. Audience/Citizens Requests

The County Board prefers all business matters initiated by citizens coming before them to first be reviewed by staff and scheduled for discussion on the appropriate agenda.

If an individual seeks to appear before the County Board he/she should notify the County Administration Office of his/her intention and the issue to be presented. Staff will confer with the individual, address the issue and, if necessary, schedule the issue accordingly on the

appropriate agenda.

C. Audience Participation at Board Meetings

To the extent possible, interested citizens shall notify the County Administrator of their interest to speak at the meeting and the issue to be discussed. The County Administrator will notify the Chair. In an effort to encourage efficiency and early resolution of issues, the County Board recommends that citizens first contact staff to try to resolve matters before coming formally to the County Board meeting. Questions directed to the Board may not be answered immediately, however, whenever possible, all appropriate questions will be responded to in a timely and effective manner by the Board and/or County staff.

The Carver County Board wishes to provide an opportunity for the public to address the County Board. The County Board Chair has the discretion to request public input on issues that are included as part of the agenda. A person desiring to speak on an item on the agenda, after being recognized by the Chair, shall come to the podium, and state his/her name and address. Comments will be limited to five minutes and limited to the specific topic on the agenda. The Board will not address other specific requests not related to the agenda item. On unrelated issues, the Board will consult with staff administration and/or the County Attorney and address them at a later date.

For citizens who desire to discuss issues which are not on the agenda, every regular Board meeting has a Public Comments section.

It is the intention of the Board, by adoption of the following rules, to ensure that its affairs are conducted in an open, orderly, and efficient manner, that persons desiring to address the Board on matters pertaining to the agenda or germane to County business are afforded an opportunity to speak, that persons in attendance may observe and hear the proceedings without distraction, and that the Board is able to transact County business with minimal disruption.

1. A person desiring to speak may only speak if acknowledged by the Board Chair and if they are being respectful and civil. All remarks shall be addressed to the County Board as a whole, not to any specific member(s) or to any person who is not a member of the County Board.

2. Comments are limited to a period of five (5) minutes. Additional time may be granted at the discretion of the Chair.

3. Copies of written materials must be provided to the County Board members, the County Administrator, the County Attorney, and any media present at the meeting. Handouts provided to the County Board members become government data and are thereafter under classifications designated in the Minnesota Government Data Practices Act and/or other privacy laws.

4. If there are a number of individuals present to speak on the same topic, all persons must sign in and designate a spokesperson or two.

5. Board members will listen to comments but will not engage in discussion, nor answer specific questions, during the Public Comments section of the agenda. Board members will listen to learn and understand, not to argue debate or discuss during the public comments portion. Board members or County staff may ask questions in order to gain a thorough understanding of concerns, suggestions, or requests. If follow-up to a person's comments is requested or required the Board Chair will direct the County Administrator or County Attorney to do so after they have had time to gather the facts, follow up on any legal issues if necessary and review the matter thoroughly.

6. Disruptive and/or disrespectful behavior will not be allowed. Examples of such behavior include arguments, obscenity, profanity, insults or attacks against a person in his or her personal capacity, physical violence or threat thereof, repetitious references, or such other comments or conduct that disrupts, disturbs, or otherwise impedes the orderly conduct of any Board meeting. The Chair will address such a speaker, give them a warning and/or use appropriate means to remove such a person from the meeting up to and including the use of law enforcement.

D. Responding to Correspondence/Inquiry/Processing of Complaints from Citizens

County Board members and staff are committed to customer service and will endeavor to provide timely and efficient response and communication to the citizens of Carver County.

Upon receipt of a written inquiry, request for information, or complaint about County business which has been sent to a Board member, upon notification and direction from County Administrator or designee, staff will confer with the member to determine the appropriate course of action. The inquiry will be handled timely as directed with the County Administrator or designee advising the Board member upon completion.

Incoming telephone calls requesting a specific Board member should be forwarded to the Board member per his/her instructions. Administration staff will periodically review with Board members the preferred method of handling telephone inquiries. Every effort will be made to maintain open lines of communication between the Board members and their constituents.

Telephone calls requesting information about specific areas of County business are forwarded to the appropriate Division. Customer service is of primary importance to the County Board and staff and an appropriate method of tracking the information requests and responses will be utilized.
