## 5. County Service Provider Updates

### Details

Liaison Members provide updates that assist the LAC to review and evaluate the county's contribution to an effective and appreciated mental health delivery system. Guest community service providers are invited to provide similar updates.

### Expected Outcome

Members will learn more about what's working and not working as county or community service providers work with individuals and groups to improve mental health service delivery. LAC members will be in a better position to understand unmet needs and develop specific and meaningful recommendations for county commissioners.
