**Blotter:**

**Log:** female party called 9-1-1 / transferred in from Ramsey Cty / female stated she wanted a welfare check done on the address. When asked who we are checking on caller stated "w  
advising the caller we needed a name / the call was disconnected / calling back RP / she stated she did not hang up / but was asked too many questions / no name given and when  
stated she did not have to give her name or address  
she stated she was concerned as no one was answering the phone and wanted to make sure they weren't stuck  
814 was advised not enough information at this time
